### Big Garden Bird Watch

I took part in the Great Garden Bird Watch last weekend. But because it is run in conjunction with the BBC, I decided to make it as awkward as possible for them.

. Access to a bird book will not really help – an ability to understand really bad puns will be more helpful. Question 1 gives an idea of the types of clue provided.

It's just for fun – so unfortunately no prizes. The answers will be posted in a few days.
